RESPONSE TO RESTRICTION REQUIREMENT

Sir:

This is in response to the office action dated September 19, 2002, for which a shortened period of one month was set.

Applicant's attorney had contacted the Examiner by telephone to clarify the office action in that it is not clear whether it was a restriction requirement or an election of species requirement. This is to confirm that the Examiner and her supervisor indicated that a new action will issue in its place and a response is not necessary.

Respectfully submitted,

Maria C.H. Lin
